

PRO LED LAMP

DESCRIPTION

Purpose made for domestic housing. Impact resistant robust build for surviving any knocks or hits unlike regular glass light bulbs. 560 lumens will brightly illuminate rooms of large sizes, available in a cool or warm white light.

FEATURES

- Superb build quality
- High grade components.
- 7W LED equivalent to 60W traditional light bulb.
- Available in Bayonet Cap or Edison Screw
- Impact resistant polycarbonate cover
- Energy saving up to 85%

VARIATIONS
